

Welcome to the Department of Surgery at Wayne State University School of Medicine and the Detroit Medical Center.

We hope your virtual visit with us is an enjoyable and insightful one.

Included on the wsusurgery.com website is some specific information on the residency program, including the rotations potentially available for each year of the residency, an average number of surgical procedures as a chief resident, and some of the goals and objectives of the residency program.

Also uploaded is some information from Tenet (DMC) on employee benefits available for residents and eligibility requirements.

We've provided a list of some of our key faculty members and their assistant's contact information.

Please fill out the survey via Survey Monkey (to be sent after the interview) so we can continue to improve and show the great benefits of the Detroit Medical Center/Wayne State University School of Medicine General Surgery Residency Program.
